

## Call your legislators. Let them know how this will hurt you.

Hello, my name is \_\_\_\_\_.

I am calling to let you know that I am against the recent cuts to SSP (the State supplement to Social Security) because it will have negative consequences for Pennsylvanians who are elderly or disabled. **Please reverse the action of PA Bulletin 479.**

Reducing my income by \$5.30 per month will keep me from being able to... [*refill a prescription, buy a transpass, think of how this will impact YOU*]

Making cuts to SSP hurts a large group of vulnerable citizens, many of whom already live below the poverty line, and that is wrong. I urge you to immediately reverse the cuts to SSP and seek other sources of revenue in order to balance our State budget.

Thank you.
